## **We pride ourselves on our famous Cordon bleus.**

We prepare our cordon bleus fresh. We have our own secret recipes for making and preparing them. A Cordon bleu needs a lot of care during the cooking process and takes an average of 20-30 minutes to prepare, depending on its size.

## **Meat declaration**

We get our meat from the butcher 'Ziegler' in Zurich. Our meat is hung longer than usual and therefore has the best quality. Our pigs come exclusively from the pig breeder Thomas Volkart in Niederglatt, Zurich. Our calves and beef cattle come exclusively from the region of Zurich, as does our Mostbröckli and our ham. Our meat is Culinarium certified. We obtain our chicken from the butcher 'Ziegler' via the company frifag from Märwil, Thurgau.

## **Bread**

We get our bread from the Wagner bakery in Zurich Wiedikon. The bread is made from Swiss flour.

## **Split payment**

Please note that split payment is not possible for groups of 8 or more people. The total of all consumptions must be divided equally between the number of guests. Individual bills are not possible.

## **Allergies**

Our staff are happy to inform you about the ingredients in our dishes that may trigger allergies or intolerances.
